Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I, personally, have relied on specially compounded natural hormones (that I have received from Madison Pharmacy in Wisconsin) for 10 years. I live in Tennessee, and no pharmacy in this area is able to tailor the combination of natural hormones ^{as required} to fit my specific needs. * Please allow me to continue the treatment that I and my doctor deem necessary to my physical and mental well-being.

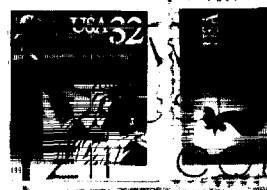

Thank you,
Amy Tyler
